SUNWEB, CHRIS HAMILTON: “MI SONO ROTTO UN TESTICOLO PER UN INCIDENTE IN BICI”

· Monday, January 13th, 2020

Delicato infortunio per Chris Hamilton, corridore del Team Sunweb. Secondo quanto riportato in un post sul profilo Instagram del corridore, l'australiano è caduto dalla bici mentre si stava allenando su una pista ciclabile. Sembrava nulla di serio in un primo momento, ma poi sono sopraggiunti dei dolori molto forti.

Almost 2 weeks ago, I had a small crash in training. I wish I could say I was doing something gnarly, but no, just on a bike path. Nothing broken but since someone is going to ask what I did anyway, I ruptured a testicle. Yep. Fellas it's just as painful as you think it is ?. At the moment it's a bit unknown how long my recovery will take but at this stage all I can say is the surgery to do some repairs went well and I'll find out more in a follow up next week. I am pretty devastated to be sidelined for the Aussie summer, but who knows, maybe a change will be for the best! See you all out on the road soon ?

“Non ho portato alcuna frattura, ma dopo un po’ di tempo mi sono accorto dei problemi al testicolo. E vi lascio immaginare il dolore”. Chiaramente, la zona è molto delicata per la postura in sella, quindi non si può ancora sapere quando il corridore ricomincerà a pedalare.
